the essence of
What is Leadership?

**“How do you know you’re leading?
Turn around and see if anyone is following!”**

~ Dr. Leonard Sweet

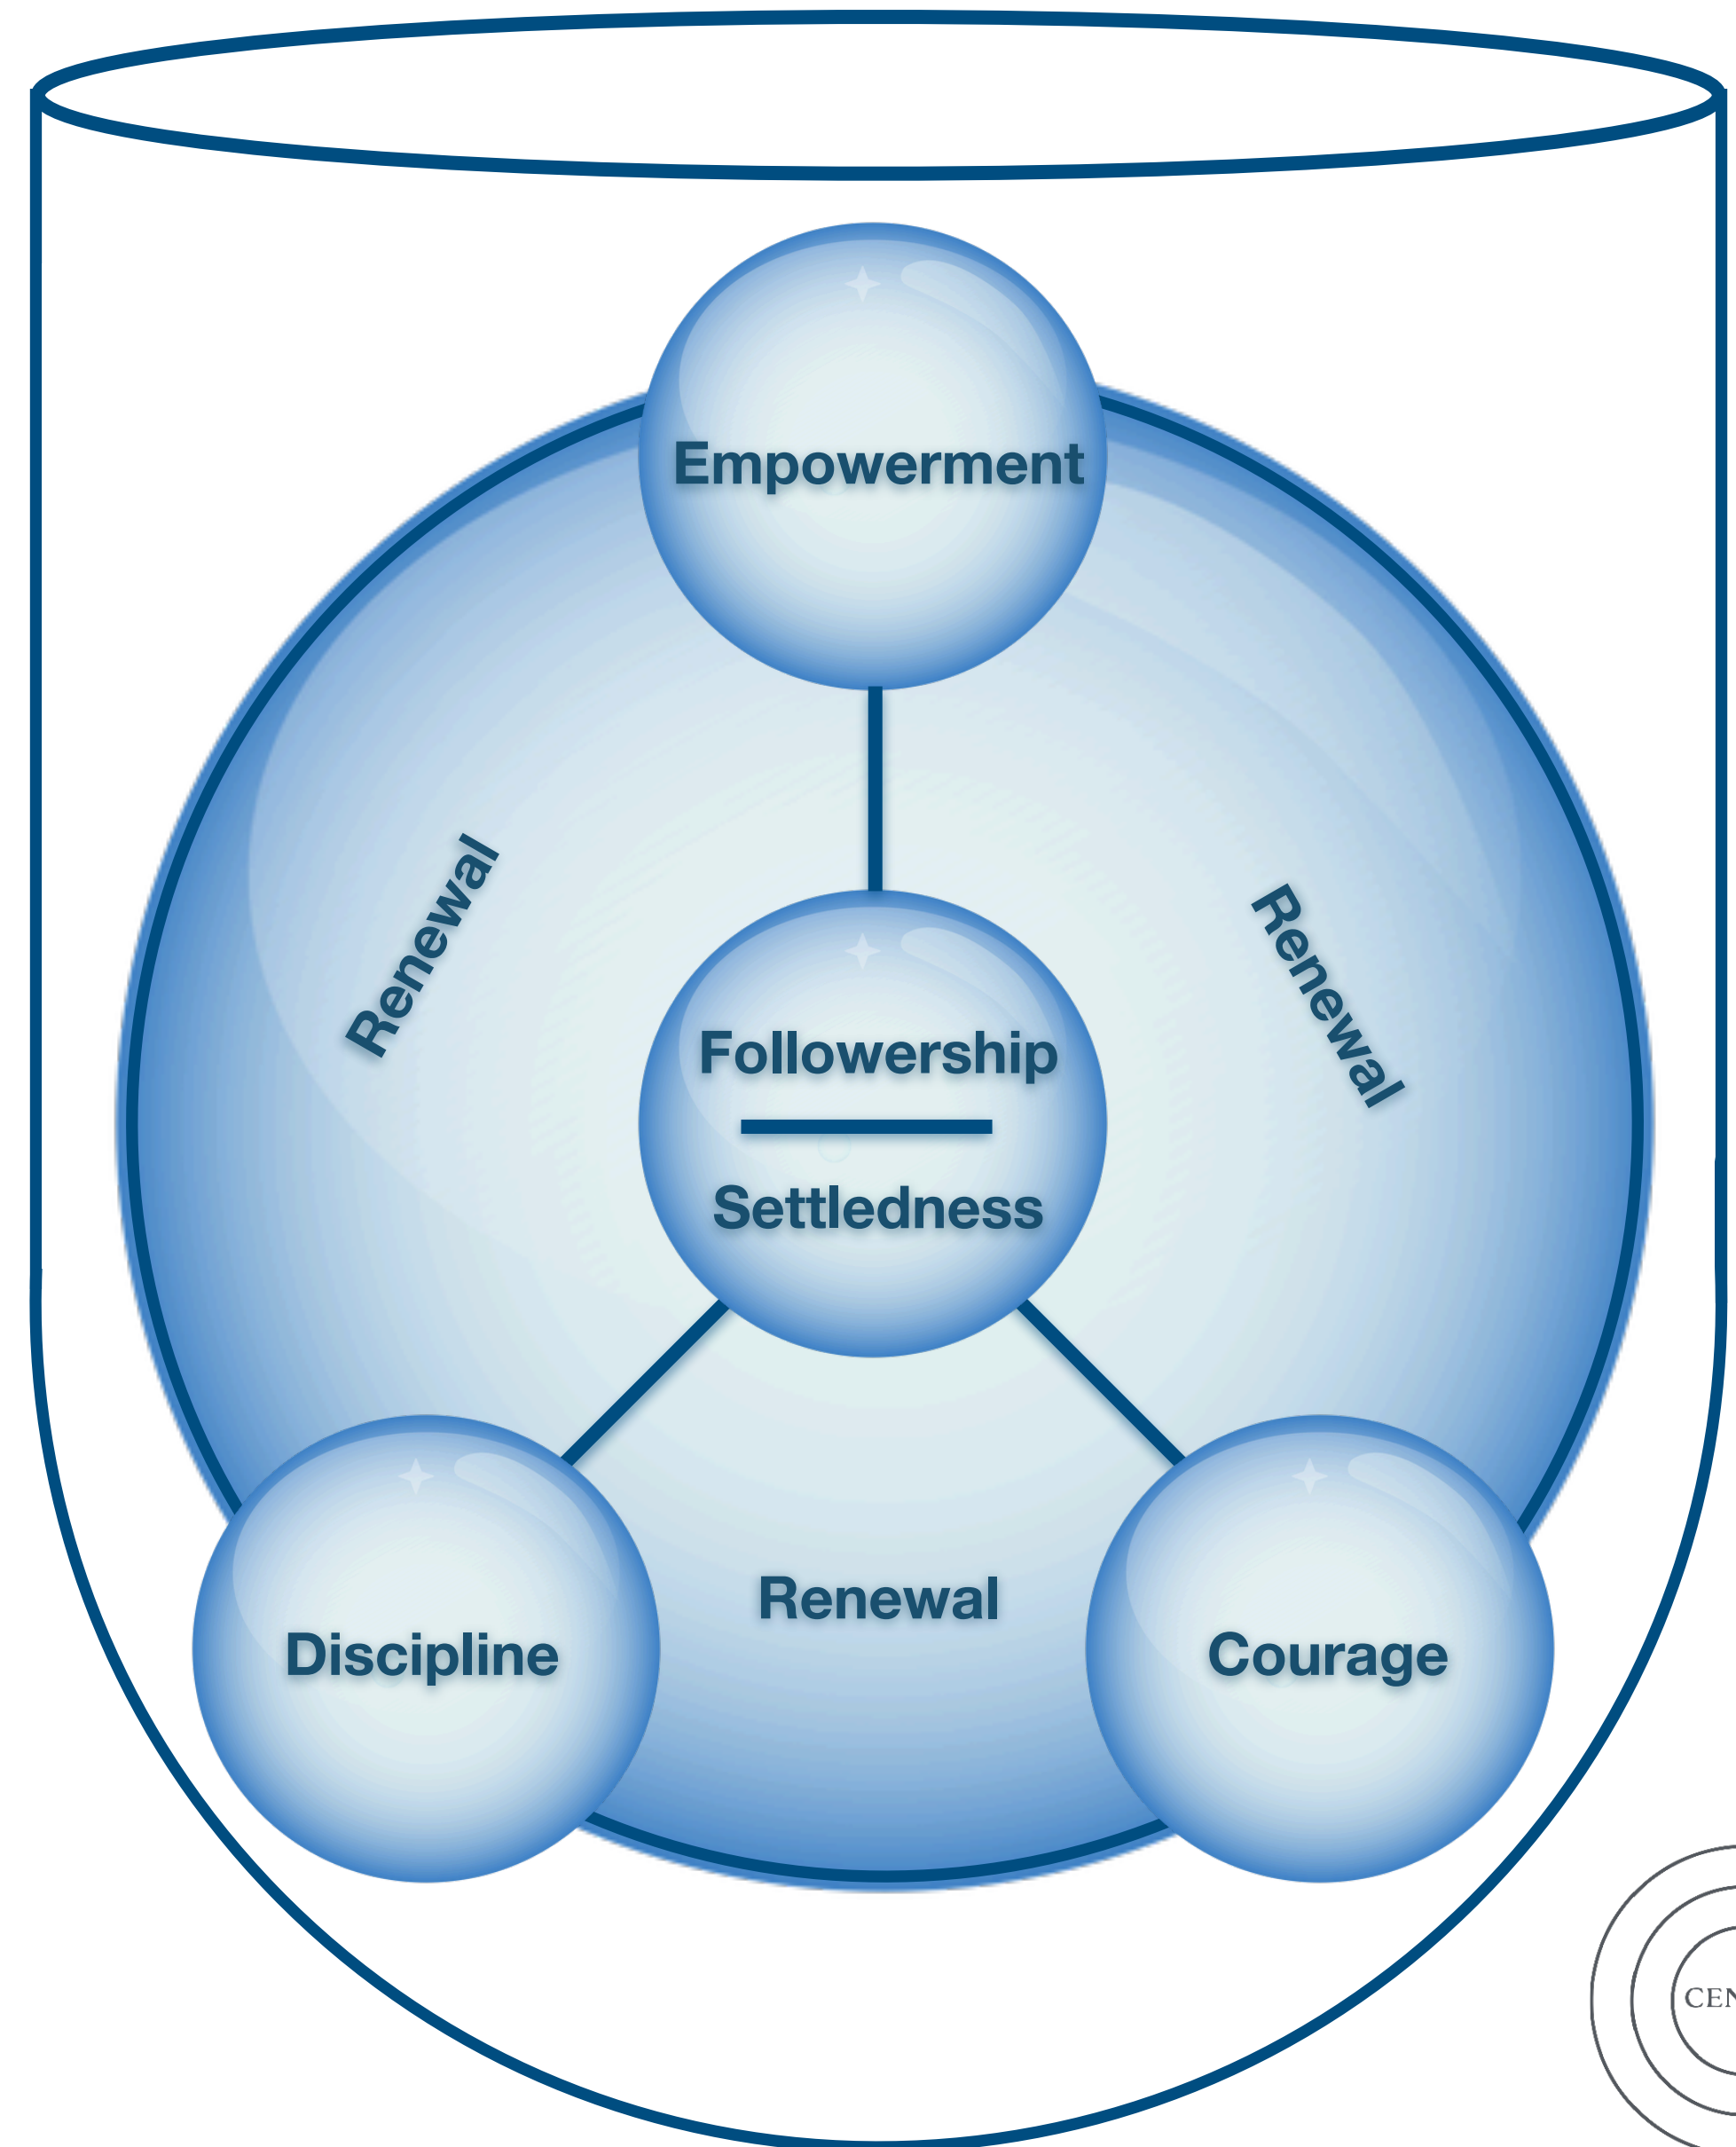

▶ **Metaphor of the Crucible**

A crucible is used to refine an element in order to remove impurities so only the very essence of the element remains.

▶ **Six Essential Elements of Effective Leadership**

- ▶ Followership & Settledness
- ▶ Discipline & Courage
- ▶ Empowerment & Renewal

LEADERSHIP CRUCIBLE ©2020

DR. STEPHEN A. CAMPBELL, DMIN

▶ Followership

Everyone is following something, the critical question is, "What?"

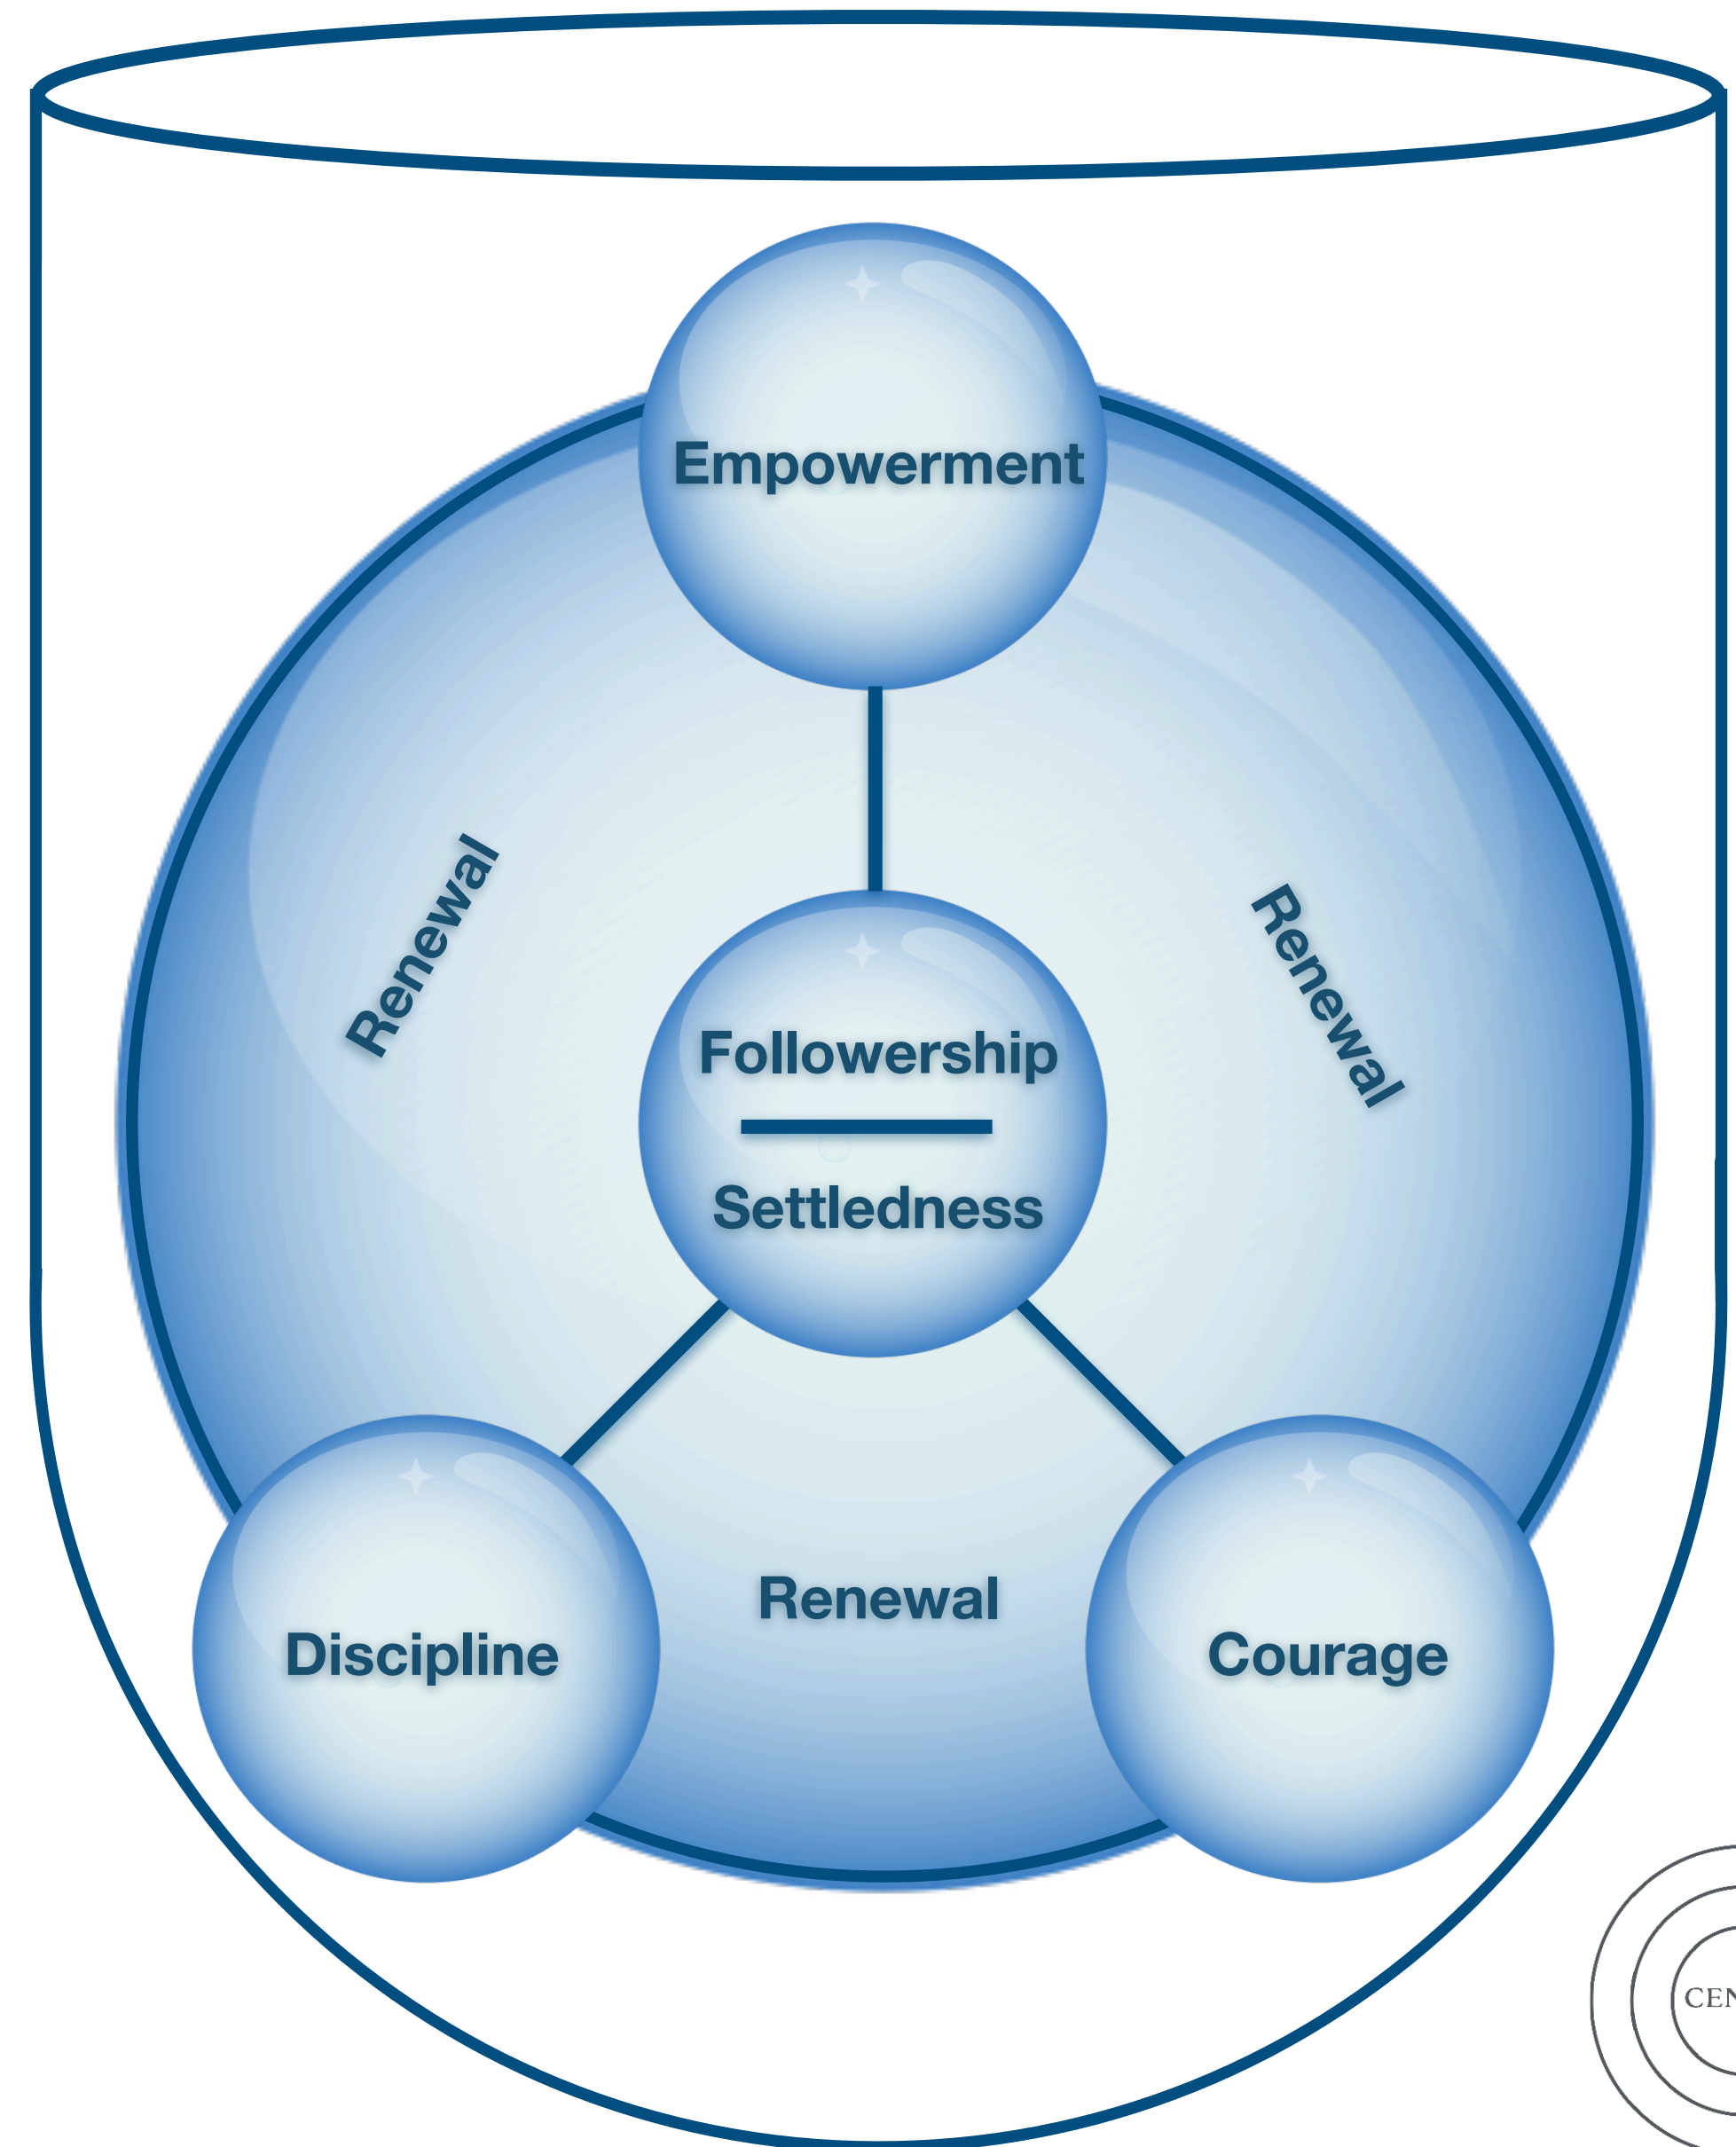

"First-Followers or True North"

▶ Settledness

Understanding and accepting your unique and creative design.

"Identity vs Roles"

▶ Simplifies "Yes" & "No"

▶ Discipline

Leadership often requires the simple, hard work of getting things done.

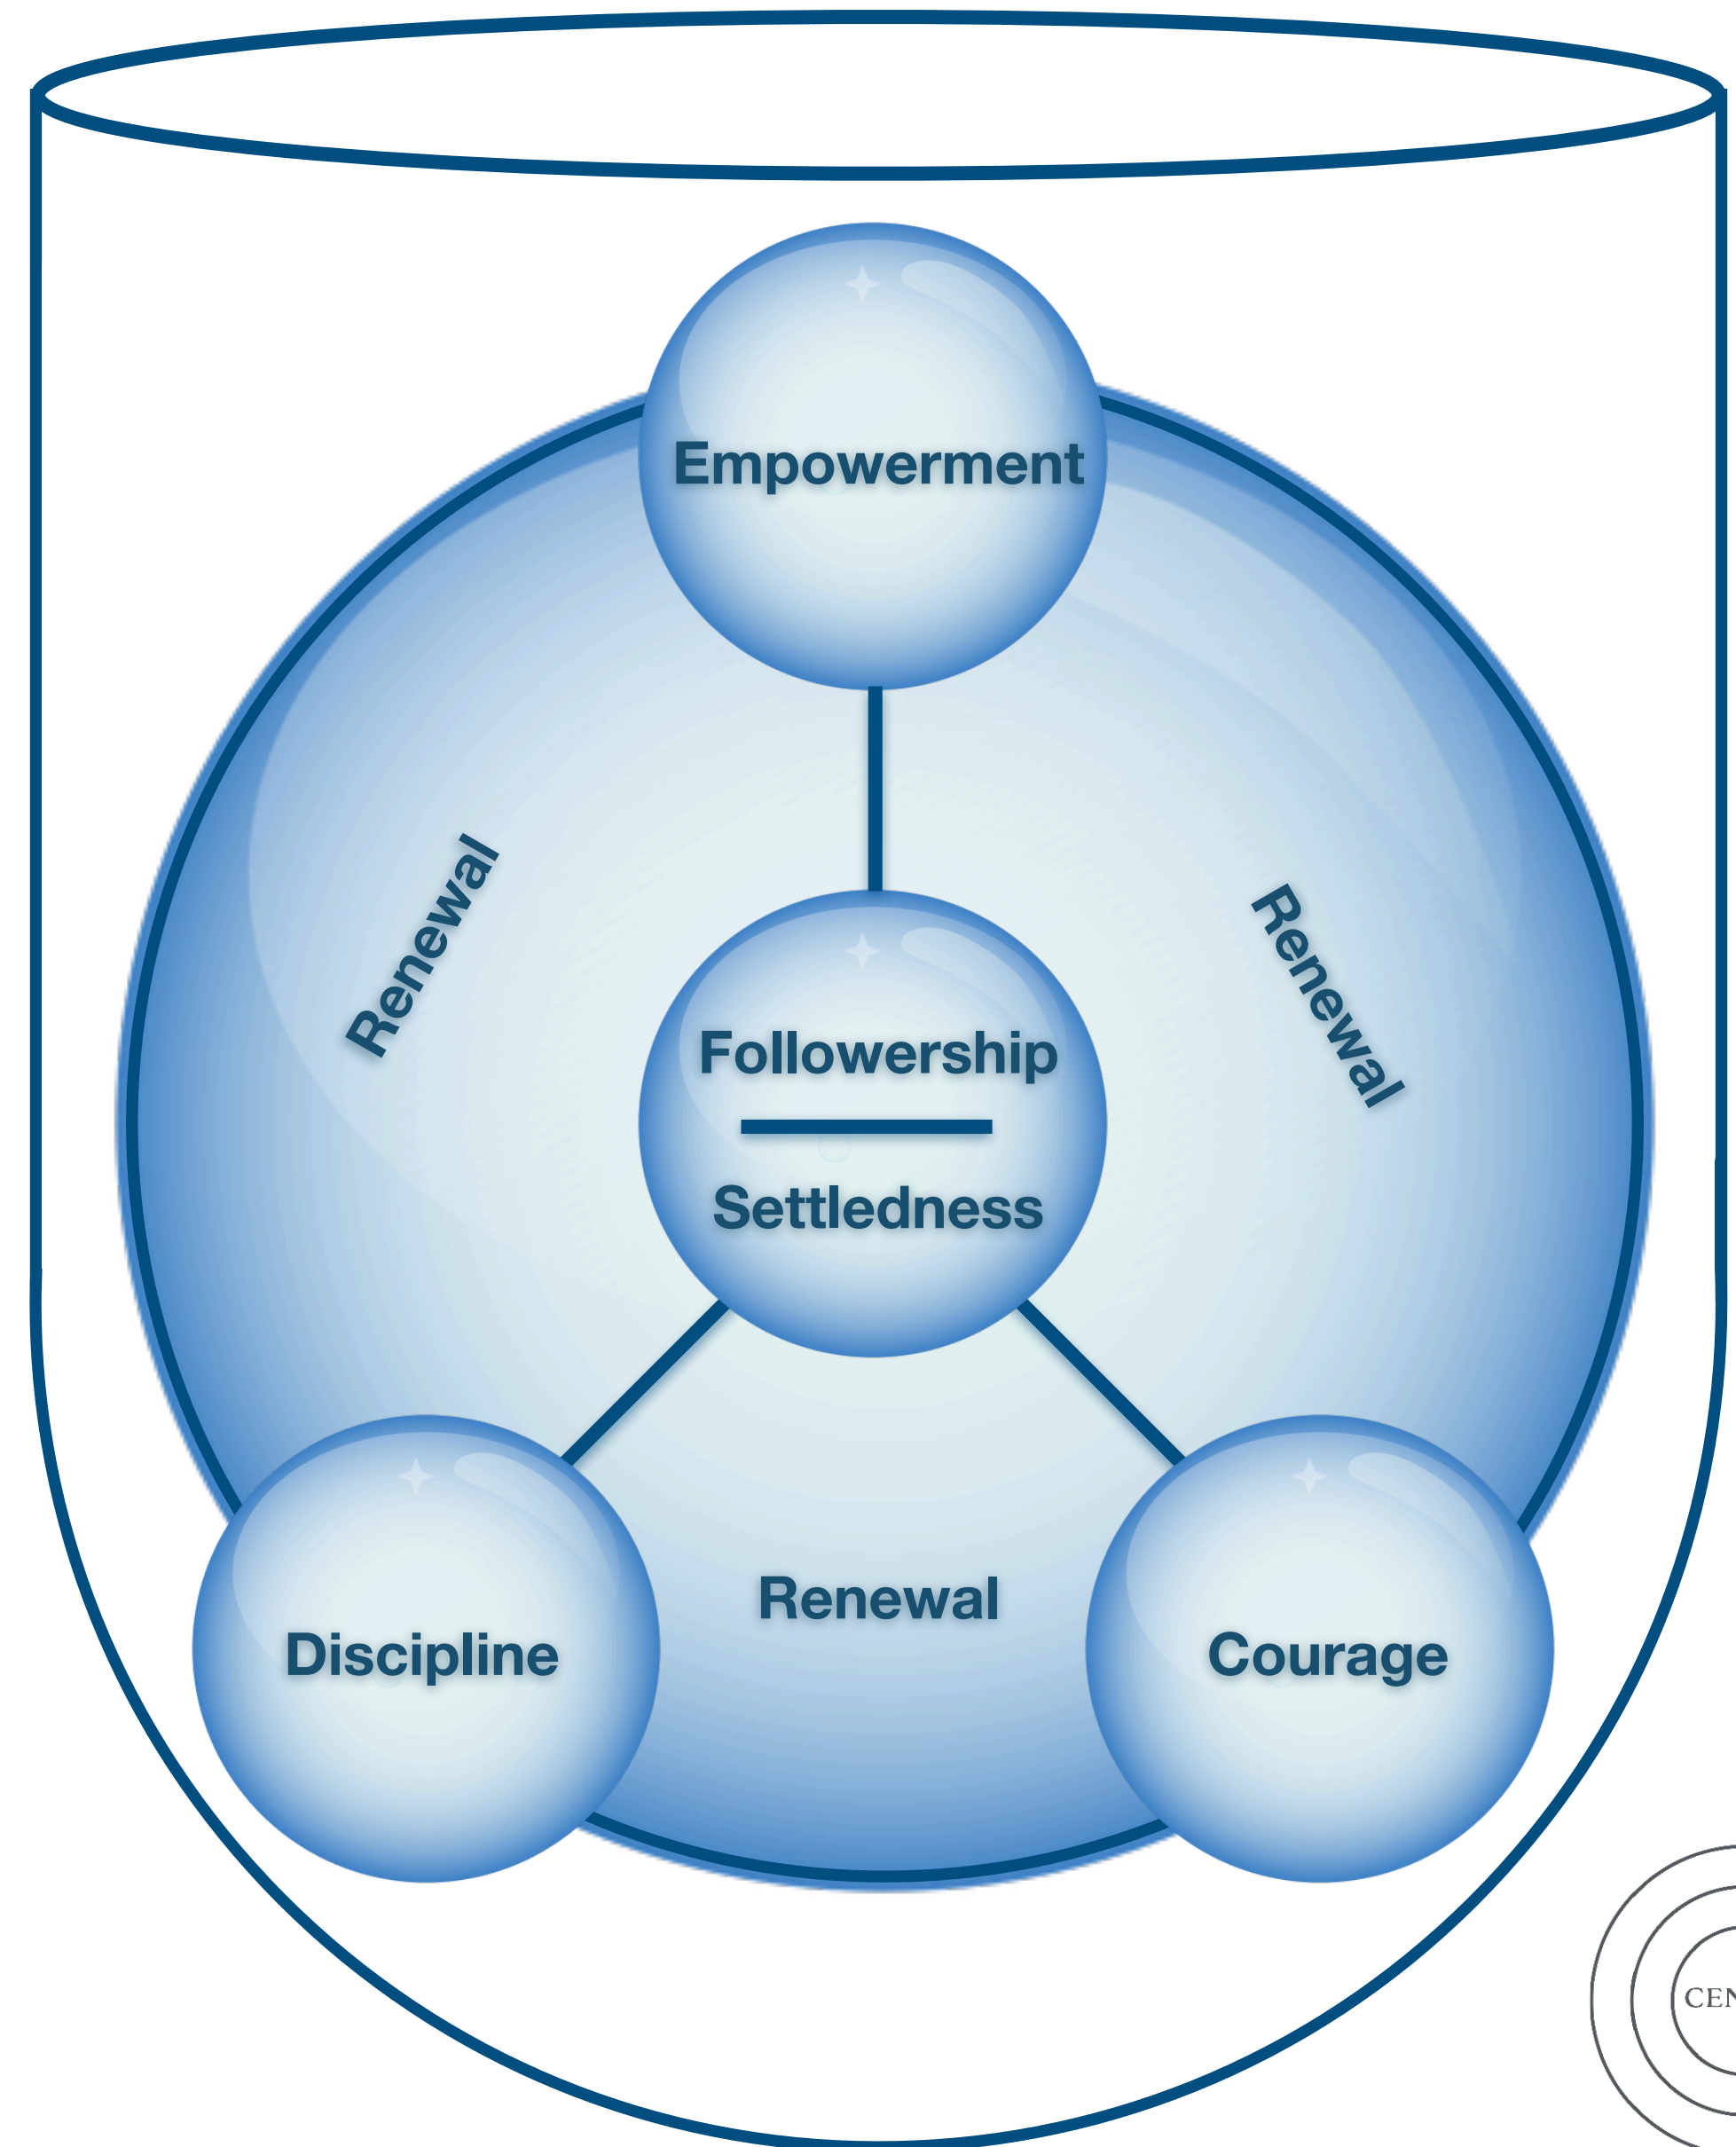

“Seat-time”

▶ Courage

Taking guided, bold action in response to clear Followership & Settledness

“Failure is not fatal!”

▶ The Twin Engines of Movement & Momentum
