THE ART OF LEADING

SESSION 1: BEING A CULTURE CREATOR

Every leader is creating a culture for their team or organization whether they want to or not.

Agree or Disagree?

Why?

Withness: Intentionally creating a culture that communicates “we are in this together!”

3

THE ART OF LEADING

SESSION 1: BEING A CULTURE CREATOR

Withness: Intentionally creating a culture that communicates “we are in this together!”

1. Making our Culture “Safe”

What are the qualities and characteristics of a safe space/team?

What role does a good leader play in helping to create that safety?

4

THE ART OF LEADING

SESSION 1: BEING A CULTURE CREATOR

Witness: Intentionally creating a culture that communicates “we are in this together!”

1. Making our Culture “Safe”
2. Making our Culture “Open”

What does it look like when a leader is approachable?

What role does listening play in helping to create openness?

5

THE ART OF LEADING

SESSION 1: BEING A CULTURE CREATOR

Witness: Intentionally creating a culture that communicates “we are in this together!”

1. Making our Culture “Safe”
2. Making our Culture “Open”
3. Making our Culture “Harmonize”

What is the difference between unity and harmony?

What role does vulnerability play in helping to create harmony?

6

THE ART OF LEADING

SESSION 1: BEING A CULTURE CREATOR

Witness: Intentionally creating a culture that communicates “we are in this together!”

1. Making our Culture “Safe”
2. Making our Culture “Open”
3. Making our Culture “Harmonize”

Which one of these resonates with you and what is one practical step you can take to implement it in your work in the next week?
