

Venture 1:9 is excited to announce a strategic partnership with...

The SFSAZ fosters the spiritual formation movement in Arizona, and beyond!

Through networking and co-laboring, we bring Spiritual Formation resources to Arizona, highlight God's great work in our local community, and create safe environments where learners and leaders can experience and grow in the love of the Trinity.

Service Offerings to Venture 1:9 Non-profits

The SFSAZ is proud to partner with Venture 1:9! From our regular collectives, to soul care days, to our annual conference, our desire is to provide opportunities with the following components:

EXPOSURE

Come learn from the rich historical and Biblical tradition of spiritual formation.

EXPERIENCE

Don't just talk about God, experience Him together in community.

ENCOURAGEMENT

Come gain support for your life in Christ and ministry, and give some as well!
