

Venture 1:9 is excited to announce a strategic partnership with...

TALENTUMGROUP

Running a non-profit is hard work! The last thing you need is the challenge of dealing with additional "hard stuff" that you don't have time for and falls outside of your expertise. With The Talentum Group, you focus on the stuff you love the best, while letting us take care of the rest! We are the largest faith-based resource group in AZ, helping leaders connect with skilled professionals to solve problems and create a better path forward in ministry and service.
