

Venture 1:9 is excited to announce a strategic partnership with...

The ThankView video platform makes it easy to engage your audience, drive events and enrollment, raise awareness and funds, and turn first time donors into life-time supporters. The look and feel of ThankView is customized to your organization and is a "Wow!" for your people to open and experience. ThankView's Mission is to build lasting relationships, through video, on behalf of those who make the world a better place!
