

Venture 1:9 is excited to announce a strategic partnership with...

Need an experienced grantwriter who gets results?

Kelly Hart & Associates helps nonprofits of all sizes achieve and exceed their fundraising goals. Kelly is a seasoned grantwriter with over 25 years of experience who develops persuasive proposals that secure substantial funding - she has written and received \$300 million in grants for her clients!

"I have worked with Kelly as a contract grant writer for three high-profile non-profit organizations in Phoenix. In that time, we have raised literally MILLIONS of dollars, Kelly is a true professional."

Service Offerings to Venture 1:9 Non-profits

- **Comprehensive Proposal Development:** Writing well-structured, compelling proposals that align with your organization's mission and resonate with funders.
- **In-Depth Research:** Conducting thorough research to identify foundation, corporate, and public funders that align with your organization's mission.
- **Strategic Guidance:** Providing expert guidance on successful fundraising and grantwriting strategies, including ensuring proposals and reports are compelling and accurate.
- **Relationship Building:** Training in fostering strong, positive relationships with donors to secure long-term funding, and engaging donors in other ways with your organization.
