

Venture 1:9 is excited to announce a strategic partnership with...

We're your ally in employee care!

As a leader, you're often burdened with the personal issues that your team brings into the workplace. At Little Cloak, we partner with you by providing customized and relational chaplain care to your employees, so they can thrive and your business can thrive!

Service Offerings to Venture 1:9 Non-profits

- **Connection:** Your team member reaches out to one of our qualified chaplains through our website. They get to choose the chaplain they resonate with the most.
- **Confidential:** Through convenient and confidential video calls with their chaplain, they begin to work through their personal issues on their own time.
- **Counsel:** They begin to find help, hope, and healing, which ultimately leads to a more fulfilling and productive work-life balance.
- **FAQs:** Go [here](#) to get additional questions answered, to learn more about our model, and to see what people are saying about Little Cloak.
